Eligibility criteria:

- This category is open to Visitor Attractions with more than 75,000 visitors per year, or more than 10 full time equivalent members of staff
- The attraction should be capable of attracting day visitors, tourists and local residents
- It is appreciated that occasionally pre-booking a visit or an activity will be necessary. This will not adversely affect the application. For example, museums on working RAF bases or activities such as skydiving, ski experiences etc.
- **Please note:** Retail outlets, sporting venues and theatres are not eligible to apply unless there is also a museum or exhibition element included
- **Please note:** Sporting and theatrical venues that offer behind the scenes guided tours should apply in the appropriate Guided Tour of the Year category
- **Please note:** If the attraction is a tour only, you should apply in the Guided Tour of the Year category
- Must be open for business at some point between 8th January and 9th March 2018, so the judges can visit/make a booking. If you are closed for any part of this period, please ensure this is highlighted on your application form. Even if your business is closed for this entire period, if you are able to receive a visit from a judge you may still be able to enter.
- If you have any questions, please email VEAwards@visitengland.org

The judging will be based on this entry form, your website (viewed on desktop, mobile and tablet), and any other online presence that you might have, including social media. The judges will also look at your online customer reviews. If entering via a regional awards' programme and you have already received the report from the judges, please attach this with your application.

The most recent VisitEngland assessment report will be taken into account for any business that holds a current VisitEngland accreditation. Please note, there is no requirement for businesses to be quality assessed by VisitEngland, or any other assessing body.

If there is any other information (not available online) that you would like to include to illustrate points made in your application, for example, regional or national press coverage, please create and upload a single document in Word or PDF format. Please name this document using your business name and the wording Supplementary Evidence. If more than one document is sent, it will not be made available to the judges (this does not include your regional judging report). Please ensure each piece of evidence in your Supplementary Evidence document is indexed to the relevant question.

Please try to answer all questions as fully as possible, but within the word limit. At the end of each question you may include web links, if you have them, to support your answer. These can be in addition to the word count.
